OUR STORY

Natural Spa Factory is based in Bath, UK we specialise in micro batch manufacturing for private label and white label skincare brands. We supply many premium global spa, hotel and salon professionals requiring low volume, effective, ethically sourced, cruelty-free and sustainable professional skincare.

As a cosmetic manufacturer, we proudly make under our own brand name supplying more than 600 businesses worldwide and see the future of British Made skincare available to all, by providing natural beauty products for those that prefer premium quality over mass market. Our R&D department is on hand developing new innovations and 'Blue Sky' formulation development which allows us to explore and incorporate future beauty trends, an important part of the puzzle; at the same time as ensuring ingredients are ethically and sustainably sourced.

Our client portfolio includes, five-star hotels, spa resorts, award winning renowned boutique and lifestyle brands, retailers and beauty influencers. We are specialists in brand extension – the opportunity to leverage your brands equity through product. We do this by private labelling our award winning formulations or working with you to create your own.

PRODUCTS & AROMAS

A little information about the selection of products and aromas we have available within our private label service. If you have a specific scent or fragrance you are looking for then please get in touch - although this would fall under a different service, we are able to offer bespoke formulations especially developed for you. We are happy to discuss bespoke options but a minimum order on these will increase significantly.

LUXE GOLD COLLECTION

AROMAS: Decadent amber scent.
Developed from the most luxurious ingredients, our Gold range is the perfect combination of Grape Leaf, Pearl, Caviar extract, gold shine and skin loving ingredients. This Paraben free range is our healthy ageing collection but loved by all who want a high end pamper and a healthy glow.

BENEFITS: Gold has long been known for its anti-inflammatory properties. Minute gold particles prevent the breakdown of collagen and elastin, which causes wrinkles and loss of firmness - [View online here](#).

ILLUMINATE COLLECTION

AROMAS: Vanilla & Alpine Plants.
All paraben free and inspired by the rice water the Geisha women would wash their faces with to leave their complexion bright and skin flawless. Rice may not have the sex appeal of champagne, strawberries or cocoa, but this humble ingredient performs magic when it comes to achieving beautiful skin.

BENEFITS: Rice has always been known for its valuable nutritious properties. The oil is very rich in oryzanol and is proven to be one of the best anti-oxidants for skin protection. Dues to its high nourishing factors, its helps improves the skins elasticity.

CAPSULE COLLECTION

AROMAS: Delicate, green tea, chamomile, jojoba.
Our Capsule Collection is a multi-functional, gender-neutral capsule range and a comprehensive, clean and simplistic approach to skincare. Exquisitely gentle formulations are drawn from the healing power of nature; the range features anti-bacterial rose water, antiseptic tea tree, soothing chamomile, nourishing vitamin E, anti-oxidising pomegranate and green tea, and collagen-stimulating jojoba.

BENEFITS: The antioxidant rich green tea extract is calming and can reduce rosacea redness and promote healthy ageing, ridding the body of free-radical damage.

BUMPS A DAISY

AROMAS: Grapefruit, Mandarin & Neroli Oils

Pregnancy is a special time but is a massive undertaking for muscles and skin. However, our Bumps A Daisy Pregnancy Range can help ease tightness - Neroli and mandarin help ease the effects of water retention and increase circulation resulting in a more restful night's sleep. Crammed with gentle sweet almond and wheatgerm oils and complemented with a flurry of rose oil, mandarin, and bitter orange to increase circulation and ease the effects of water retention.

NOT TO BE USED DURING THE FIRST THREE MONTHS OF PREGNANCY.

BENEFITS: Almond oil is packed with vitamin E and is a great anti-oxidant. The scent invokes feelings of joy, uplifting the mood whilst making you feel relaxed. As well as easing the effects of water retention - [View online here](#).

FIG & VANILLA

AROMAS: Sweet Fig & Vanilla

The fresh and earthy tones of this delicious fruit accompanied by a soft sweetness of vanilla will leave your hands feeling squeaky clean and deeply moisturised. Our hand wash is free from any nasties. Free from Parabens, SLS, MI and MCI Sulphates. Great for men and women, suitable for daily use and perfect for leaving your hands fresh and clean, locking in moisture.

BENEFITS: Tocopherol (vitamin E) has powerful anti-oxidants to protect and help moisturise the skin whilst being non irritating and anti-inflammatory.

YUZU OIL & MARJORAM

AROMAS: Patchouli, Yuzu, Marjoram, Grapefruit.

We're excited to announce the launch of our new collection of lotions and potions. Throw yourself into an intensely aromatic and naturally anti-bacterial burst of yuzu oil, with sparkling grapefruit and mandarin, disturbed by knotted marjoram.

BENEFITS: Yuzu is a cross between a lime, a grapefruit and a mandarin - but looks like a lemon! Yuzu oil is seriously aromatic, and acts as a natural anti-inflammatory. Yuzu has mood boosting and stress-reducing properties; so, it's seriously uplifting.

LAVENDER & ALOE

AROMAS: Lavender, Aloe, Comfrey Root.

The calming scent and antiseptic properties of lavender, combined with the healing nature of comfrey root, and the super moisturising and anti-oxidant rich aloe vera make this the perfect for those looking for a natural, squeaky clean and super nourished feeling.

BENEFITS: The Latin name of lavender is Lavare, which means "to wash", due to its aroma which is particularly clean. Lavender essential oil inhibits the bacteria that cause the infection, and has strong antibacterial and antiviral qualities.

BODY OIL COLLECTION

AROMAS: Neroli, Rosehip, Coconut, Seaweed.

Expertly layered with the most natural and botanically sourced essential oils, and lovingly mixed with highly nourishing carrier oils, our collection of blended oils are perfect for massage treatments, as a bathing oil, or a post skin nourishment ritual. Our blended oils are inspired by the countryside around us, and their dry form is less messy and doesn't require any showering, locking in skin reviving moisture.

BENEFITS: All our oils are 100% natural, and are multi-faceted in their benefits: they flatter sensory requirement (relaxing, or invigorating), match to skin type (sensitive, or anti-wrinkle), adjust to season (pick out specific top and base notes depending on the season), and somplement massage style (sports, or pregnancy safe.)

CANDLE COLLECTION

AROMAS: Cocoa, Rose, Honey, Wild Fig.

Good things come in small packages and our warm, soothing yet sensual massage candle can be applied directly to the skin. Infused with the most indulgent French fragrances we can find from the heady scent to Cocoa flower to the warming, sensual fragrance of chocolate.

BENEFITS: The scent promotes feelings of calm and wellbeing. The warm wax relaxes the muscles and helps the combination of soybean and coconut oil plus beeswax penetrate the skin leaving it indulgently nourished.

WRAP COLLECTION

AROMAS: Green Tea, Rosemary & Guarana, Ginger & Sweet Orange, Laminaria.

Our range of wraps is botanically based and mineral rich, formulated with plant powders which provide a rich texture and release aromatic and earthy scents. They are perfect for signature treatments and seasonal treatments and will entice clients into a spa experience like no other.

BENEFITS: A body wrap - also known as a cocoon or mask - is at the heart of every spa ritual and depending on the key ingredients has many benefits to your skin and wellbeing. All our dry wraps are preservative free too.

SCRUBS

Our range of scrubs may be dry, or blended with aromatic base oils for sheer indulgence. These salt and sugar scrubs are the ultimate luxurious body treatment, and are offered as part of a rasul, shower experience or signature treatment.

BENEFITS: Our salt and sugar scrubs are perfect for exfoliating dead skin cells, smoothing the skin and stimulating circulation. They will leave the skin cleansed, polished and refreshed.

FACE MASKS

Our range of peel off masks use botanically sourced ingredients derived from nature - herbs, plants, flowers and fruit. They are free from parabens, SLS, MCI and methylisothiazolinone, and are not tested on animals and are also preservative free.

BENEFITS: Refreshing and luxurious. Our peel off masks revive dull skin, help retain moisture, and will leave the face feeling smooth and gently cleansed to reveal radiant and beautiful skin.
